

2018 AMERICAN JOURNAL OF POLITICAL SCIENCE Reviewers

Thank you, thank you, thank you to all our reviewers in 2018! Referees provide an invaluable service to the journal and discipline by engaging with the ideas, arguments and evidence presented in our manuscripts. Reviewers who complete more than two reviews in a calendar year are designated as “Super Reviewers” by the AJPS and receive special badges at the following year’s MPSA Conference. These Super Reviewers’ names are in bold below.
